

AKD Advisory

BUILDING STRATEGIES, DELIVERING SUCCESS

Our Company

WELCOME TO AKD ADVISORY

At AKD Advisory, we provide strategic real estate and investment solutions that empower developers to navigate complex markets, optimize investments, and drive sustainable growth.

With a team of seasoned industry experts, we bring deep knowledge in Finance, Human Resources, Development, Operations, Sales, Marketing, and Project Management. Our data-driven approach and market insights help clients make informed, future-proof decisions.

At AKD Advisory, we don't just identify opportunities in real estate; we engineer them through expert advisory, strategic planning, and informed decision-making.

Our Expertise Includes:

- **Market & Feasibility Analysis** – Data-driven insights for smart investment decisions.
- **Strategic Planning** – Customized strategies to boost project value and success.
- **Investment Advisory** – Maximizing profitability and efficiency for developers.
- **Innovation & Sustainability** – Future-proof solutions for smarter development.
- **HR & Talent Management** – Building high-performing teams for growth.
- **Sales Optimization** – Strengthening strategies to boost revenue.
- **Operations Efficiency** – Streamlining processes for better performance.
- **Project Management** – Structured execution from concept to completion.

BUILDING STRATEGIES, DELIVERING SUCCESS

MEET OUR EXPERTS

At AKD Advisory, our team's expertise defines our success. We bring a wealth of experience in real estate, ensuring that every project is positioned for maximum growth and efficiency.

Our Leadership Team:

Financial Planning & Investment Strategy
We provide expert financial planning, market analysis, and strategic investment guidance to help clients navigate real estate opportunities with confidence. With a proven track record in major real estate projects, our insights drive profitability, mitigate risks, and maximize returns.

Real Estate Financial Advisory
With over 20 years of expertise, we offer strategic financial advisory services for major real estate projects in Egypt. Our proven approach ensures financial success, market impact, and sustainable growth, helping clients maximize their investments.

KEY PROJECTS & PARTNERSHIPS

- **Living Yards**
Innovative developments that blend design with purpose.
- **UC Developments**
12+ years of transforming real estate visions into reality.
- **Wadi Degla Developments**
- **Other High-Impact Projects**
Strategic planning and advisory for leading real estate ventures in Egypt and beyond.
